Staff Reports

A. District Counsel

Ms. Hall stated that she did research on the issue regarding required Board member attendance at the Board meetings.

She stated that if a member is absent at more than 3 consecutive regular meetings, the Board could request that the member voluntarily forfeit any statutorily provided monetary entitlements for one year, or the remainder of the members term, whichever is shorter. If the same member is absent for a fourth regular meeting, they may submit a letter to the Governor asking for an exception of extension.

Ms. Hall also stated that she researched the rules on Board members participating via speaker phone. She only found one law which is the Attorney General's opinion that states a member could be present by other forms of media only if they are unable to attend due to a disability or illness. There is a rule that states that members can attend via other technology, she recommended that the rule be amended to state that the member can attend via other technology only if they have a disability or illness that prevents them from being present physically. It was stated that the Board would like to amend the rules of procedure to state that the members are not allowed to miss more than two consecutive meetings unless due to a disability or illness.

It was recommended that a public hearing be held on the rules of procedure. Ms. Hall stated that she would research the issue regarding the Governor appointing a new member rather than the Board. Ms. Hall stated that she would also do research on having a public hearing set on the rules of procedure and have this information for the next meeting. Ms. Hall stated that there were no other changes that needed to be made to the Rules of Procedure for the District. Ms. Hall stated that with the public hearing on Rule Making, she will draft of the new Rules of Procedure for the Board's review.

Ms. Hall stated that there is not a need for her to be present at all meetings, and that she would be willing to attend via speakerphone if the Board approved. She also stated that public comment also tended to be very lengthy at meetings, and asked if the Board felt she was needed for that part of the meeting. The Board decided that she could attend via speakerphone and that she did not need to be present for the public comment.

C. District Manager

Ms. Hartman stated that in January or February she will be bringing a work order to the meetings with her, which will be an update on issues within the District. It will also list actions that are pending and their updated status.
